**Subject: Lateral and Vertical Extent of Contamination Work Plan Addendum
Lynch Trusts
36 Winchester Drive
Atherton, California
SMCo Site No. 988009
Date of Work Plan: January 19, 2005**

Dear Mr. Ice:

As discussed in our *Lateral and Vertical Extent of Contamination Work Plan* for the subject site dated January 19, 2005, the landfill waste acceptance forms (aka "gate tags") for the stockpiled soil that was excavated during the tank removal were not available at the time the Work Plan was prepared. These forms have now become available and are attached to this addendum letter.

If you have any questions or require additional information, please do not hesitate to call us at (408) 327-5700.

Sincerely,

Forrest Cook *For*
Project Manager
